Directions for use: As a dietary supplement, adults take 1 capsule twice daily with food, or as directed by your healthcare professional.

Important: Patients with types I and II diabetes should watch for hypoglycemia (low blood sugar) when they begin taking the Glu-Pro VM and Glu-Pro EFA formulas due to an anticipated drop in their blood glucose levels (as a result of anticipated increase in insulin sensitivity or decrease in insulin resistance). Patients using these supplemental formulas should consult their physician to ensure insulin dosages or oral hypoglycemic medications are appropriately adjusted (decreased), especially if combined with a decrease in their carbohydrate consumption and/or an increase in their activity levels.

**These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

KEEP OUT OF REACH OF CHILDREN.

For optimal storage conditions, store in a cool, dry place. (59°-77°F/15°-25°C) (35-65% relative humidity) Tamper resistant package, do not use if seal is missing.

Do Not Freeze.

U.S. Patent #7,332,181 - Other patents pending.

Formula #200393/ #2110588

Glu-Pro VM

A Dietary Supplement

Recommended for use with Glu-Pro EFA.

A Vitamin and Mineral Dietary Supplement
Containing Vitamins and Minerals Known to be
Involved in Glucose Metabolism**

60 Vegetarian Capsules
